AEROSPACE INFORMATION REPORT

AIR 1973

Issued: 1-87

Submitted for recognition as an American National Standard

INDEX OF HYDRAULIC SYSTEM COMPONENT MANUFACTURERS AND THEIR TRADEMARKS

1. PURPOSE: The purpose of this report is to assist in the identification of the manufacturer of hydraulic system components where the part is identified only by a trademark.
2. SCOPE: Listings are current and former manufacturers of aerospace fittings, couplings, hose and tube support devices that are within the scope of activities of the SAE G-3 Committee and available at the time of publication. Suggestions for additional listings may be sent to the SAE in Warrendale, PA.
3. ENDORSEMENT: The listing of a manufacturer in this report should not be construed as an endorsement by the SAE of either the listed manufacturer or his product.

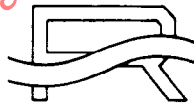

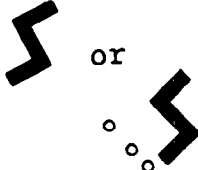

SAE Technical Board Rules provide that: "This report is published by SAE to advance the state of technical and engineering sciences. The use of this report is entirely voluntary, and its applicability and suitability for any particular use, including any patent infringement arising therefrom, is the sole responsibility of the user."

SAE reviews each technical report at least every five years at which time it may be reaffirmed, revised, or cancelled. SAE invites your written comments and suggestions.
