This specification has been declared "NONCURRENT" by Aerospace Materials Division, SAE, as of 10-13-86. It is recommended that this specification not be specified for new designs.

This cover sheet should be attached to "A" revision of the subject specification.

This specification is under the jurisdiction of AMS Committee "D".

SAE Technical Board Rules provide that: "This report is published by SAE to advance the state of technical and engineering sciences. The use of this report is entirely voluntary, and its applicability and suitability for any particular use, including any patent infringement arising therefrom, is the sole responsibility of the user."
